Management Capacity Enhancement Programme
(MCEP)

under

Technical Education Quality Improvement Programme
(TEQIP)

IIM Tiruchirappalli Chennai Center

February 06-10, 2017

Introduction

According to the XII Five Year Plan, higher education in India needs to be aligned with global standards. Capacity has to be created for an additional two million students from the eligible age cohort. The Ministry of HRD, Govt. of India has set targets to achieve goals for higher education in India, as envisaged in the XII Five Year Plan.

Rashtriya Uchchatar Shiksha Abhiyan (RUSA) a Centrally Sponsored Scheme (CSS), launched in 2013 aims at providing strategic funding to eligible higher education institutions. It places great emphasis on improving access to education, with an overall objective to improve the Gross Enrollment Ratio by 2020. The scheme is based on key principles such as performance-based funding, incentivizing performing institutions and decision making through clearly defined norms. RUSA aims to provide greater autonomy to universities as well as colleges with a sharp focus on equity-based development, and improvement in teaching-learning quality and research.

To achieve these objectives, the Technical Education Quality Improvement Programme (TEQIP) was envisaged as a long-term programme of about 10-12 years duration to be implemented in 2-3 phases for transformation of the Technical Education System with assistance from the World Bank. To continue the development activities initiated through TEQIP-I which ended in March 2009, TEQIP-II was launched.

Under TEQIP-II, the Management Capacity Enhancement Programme (MCEP) has an objective of engaging with senior leaders of higher education institutions, so that they are able to address key challenges in providing world class higher education. The Indian Institute of Management Tiruchirappalli feels honored to be part of this ambitious vision for India, and welcomes you to the 9th edition of MCEP.

Programme coverage

Strategy planning in technical institutions	Strategy, vision and mission
Branding in higher education institutions	All you wanted to know about patents
Managing staff in technical institutions	Transition into management
Managing relationships	Team roles
Publishing in top quality journals	Counselling and mentoring of students
Managing finance in technical institutions	Academic Leadership and Management in Higher Education

Programme directors

Prof. Godwin Tennyson, Prof. Upam Pushpak Makhecha and Prof. Suresh Paul Antony have many years of experience in educational administration and have attended the UKIERI Higher Education Leadership Development Programme conducted by the British Council in India and the UK.

Pedagogical approach

This programme follows a peer-learning philosophy. Hence, this will be highly interactive, but intensive programme. We believe in learning from each other and carrying the best practices of each other back home.

Participants, being very senior academics are expected to bring their valuable knowledge, experience and problems to the discussion so that we learn together. Programme directors and resource persons are mainly facilitators.

Target audience

This programme is specially designed to equip Principals, Vice-Principals, Deans, HODs and, other academic and administrative personnel in leadership roles, to design and offer quality education programmes.

Nominations

Upto three nominations from each institution will be automatically accommodated. Additional nominations will be accepted subject to availability.

Programme material

Programme kit will contain basic reference, reading material and stationery. In addition, a pen drive with presentations loaded will be made available to participants, wherever the Resource Person is willing to share.

Venue

Indian Institute of Management [Chennai Centre]
45, Nehru Street, Ramaniyam Siddharth Building 1st Floor, Industrial Estate North Phase, Ekkattuthangal, Chennai 600 032. Tel. +91-44-222 555 65 & 66

How to reach

Route	Distance (km.)	Travel Time (min.)	Map
Airport to Hotel	17	45	Click here
Hotel to Chennai Centre	10	35	Click here
Chennai Central Rail Station to Hotel	8	30	Click here

Ola and Uber taxi ride hailing services operate throughout Chennai. From the Chennai Airport, pass Kathipara Junction, Andal Nagar Bus Stop, Indian Oil Pump, Shell Pump and before you reach the Kasi Theatre Bridge, take the service road just after the Jaya TV Office. Chennai Centre is located next to the Amway building.

Programme schedule

The programme will begin with the inaugural session on Monday, 6 February 2017 at 9:30 hrs. Participants are required to check in early such that they are present for the inauguration. Detailed schedule will be shared with participants soon.

Resources

IIM Tiruchirappalli's Chennai Centre has a functional learning resource centre and has access to electronic databases. The centre which is fully air-conditioned and wi-fi enabled, has a few computer terminals for use by participants. However, participants may find it useful to bring their laptops to work on the projects. The classrooms are well furnished with AV facilities.
