

About IIM Tiruchirappalli

Indian Institute of Management Tiruchirappalli (IIMT) is the eleventh IIM under the patronage of the Government of India. IIM is a name that has steadily become synonymous with excellence and has established a benchmark for unwavering quality. Technologically equipped smart classrooms, world-class library, 24x7 Wi-Fi, elegantly furnished air-conditioned hostels, 2 Megawatt Solar Power Plant and rain water harvesting systems makes IIMT campus a state-of-the-art environmentally green campus. IIMT is spread over 175 acres of land on Trichy-Pudukkottai highway situated at about 12 km from Tiruchirappalli International Airport and at about 18 km from Tiruchirappalli Railway station.

About Tiruchirappalli

Tiruchirappalli (Trichy) is a prominent city for art and culture in the state of Tamil Nadu, India with several tourist attractions in the neighbourhood. Trichy has a rich cultural heritage, which dates back to more than 1000 years. Trichy is also the home to Grand Anicut, the fourth oldest dam in the world that was constructed in the 2nd century AD as well as the Rockfort. The geographic location of Trichy makes it easy to visit prominent tourist attractions that includes World Heritage sites of Thanjavur, Mahabalipuram and Gangaikonda Cholapuram, natural escapades of Coutrallam Falls and Kanyakumari, hill stations at Munnar, Kodaikanal and Ooty, and the exotic Indo French enclave of Pondicherry. In addition, Delhi, Mumbai, Bangalore, Cochin, and Chennai connected by air makes it easy to explore the rest of the country. Trichy is also well connected to international destinations like UAE, Singapore, Malaysia and Sri Lanka with direct non-stop flights on daily basis.

About MANLIBNET

Management Libraries Network (MANLIBNET) was established in the year 1998 at the first convention jointly organized by the Indian Institute of Management Ahmedabad (IIMA) and Ahmedabad Management Association. MANLIBNET organizes annual conferences in collaboration with prominent academic institutions of the country. Some of the institutions it has collaborated in the past include IIM Ahmedabad, IIM Lucknow, IIM Indore, IIM Kozhikode, IMT Ghaziabad, XLRI Jamshedpur, ICSSR, Nirma University, University of Delhi EDI Ahmedabad, TAPMI Manipal etc.

MANLIBNET has been conducting Librarian Development Programmes for the professional and educational enhancement of LIS professionals. Also, MANLIBNET promotes outstanding library practices by identifying the Best Librarian from information professionals' community and recognises the best academic and professional work on an annual basis.

To promote research in LIS, MANLIBNET-Bharat Book Bureau (3B) International Travel Grant is given to MANLIBNET members every year for presenting an original and unpublished paper in an International Library Conference held outside India.

MANLIBNET Best Paper Award

MANLIBNET Best Paper Award (Certificate + cash prize of Rs. 10,000) is awarded to the best paper written and presented in MANLIBNET conferences. The winner will receive the award during the valedictory program at IIM Trichy.

Background

Libraries across the world are undergoing extensive transformational change as a result of the digital disruption. The ways in which people today learn, teach, communicate, interact, acquire and share knowledge have changed due to advancements in the information and communication technologies. Hence, the libraries and librarians must prepare for themselves to meet these challenges and convert it into opportunities. Libraries have to integrate several technologies in their services in order to attract the users. As the 21st century progresses, librarians are facilitating to connect communities and users with knowledge and knowledge creators.

With the developments in open learning, digitised learning resources and the use of online and offline web environment, several possibilities emerged to design digital learning strategies to make any instructional context effective to suit the ever changing learning and learner requirements in the global network.

Keeping the above aspects in mind, Management Libraries Network in association with Indian Institute of Management Tiruchirappalli, is organizing an International Conference on **"EMERGING TRENDS IN LIBRARIANSHIP: ROLE OF LIBRARIES IN LEARNING ENVIRONMENT"** on December 10-12, 2018 at the Indian Institute of Management Tiruchirappalli. This conference will provide a platform for LIS professionals, teachers, practitioners, researchers, students and users to understand and also explain any innovation practice used by them in terms of Technology, Services and Resources at their respective workplaces.

Objectives of the Conference

- Discuss, debate and seek alternatives to manage current libraries
- Provide a platform for professional discussion among LIS professionals in academics, services and research disciplines
- Create an environment for expanding professional network, enriching professional skills and experience sharing
- Identify best practices followed by various libraries
- Address the problem areas and to lead away for managing such problems
- Recommend Government and other bodies for devising suitable policy measures
- To provide an interdisciplinary platform for the academicians, researchers, managers, industrial participants and management graduates around the world to SHARE their research findings.

Who can Participate?

- Educators, practicing professionals, researchers and students
- Knowledge managers, librarians and publishers
- IT professionals
- Academicians/users in management and technical education

In and Around

Trichy has a rich cultural heritage, which dates back to more than 1000 years. We suggest the following popular tour itineraries, which you may explore. We can help to connect you with the tour operators in Trichy who may offer the tours below, provide a tour itinerary tailored to your needs, depending on time, or budget constraints.

Rock Temple (Tiruchirappalli) is a historic fortification and temple complex built on an ancient rock. It is constructed on a 83 metres (272 ft) high rock that may date to over one billion years ago.

Srirangam (Tiruchirappalli) is the foremost of the eight self-manifested shrines (Swayam Vyakta Kshetras) of Lord Vishnu . It is also considered the first, foremost and the most important of the 108 main Vishnu temples (Divyadesams). The temple complex is 156 acres in extent.

Kallanai (Tiruchirappalli) alias Grand Anicut is an ancient dam, which is built (in running water) across the Kaveri river. The dam was originally constructed by the Chola king Karikalan in 2nd century AD.

Botanical Garden (Ooty) dedicated to the collection, cultivation and display of a wide range of plants labelled with their botanical names. It may contain specialist plant collections such as cacti and other succulent plants, herb gardens.

Velankanni (Nagapattinam) - Roman Catholic Latin Rite Basilica is devoted to Our Lady of Good Health. Devotion to Our Lady of Good Health of Velankanni can be traced to the mid-16th century and is attributed to three miracles.

Ramanathaswamy Temple (Rameswaram) is the most notable historic landmark of the Rameswaram. Temple is a famous Hindu temple dedicated to the god Shiva. The temple is one of the 12 Jyotirlinga shrines, where Shiva is worshipped in the form of a Jyotirlinga meaning "pillar of light".

Meenakshi Amman Temple (Madurai) is a historic Hindu temple located on the southern bank of the Vaigai River in Madurai. The temple was mentioned in the Tamil Sangam literature, with the goddess temple mentioned in 6th century CE texts.

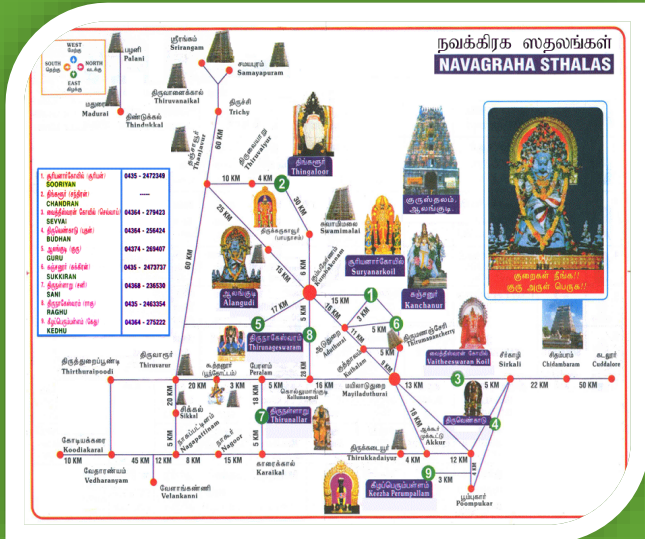

Puducherry is a union territory of India. It was formed out of four exclaves of former French India, namely Pondichéry. It can be traced to the 2nd century AD.

Nagore Dargah (Nagapattinam) is a dargah built over the tomb of the Sufi a saint Nagore Shahul Hamid (1490–1579 CE). There are five minarets in the dargah.

Brihadishvara (Thanjavur) is a Hindu temple dedicated to Shiva located in Thanjavur. It is an exemplary example of a fully realized Tamil architecture. Built by Raja Raja Chola I between 1003 and 1010 AD. It is a part of the UNESCO World Heritage Site known as the "Great Living Chola Temples"

Courtallam (Tirunelveli) the Spa of South India, is situated at a mean elevation of 160 m (520 ft) on the Western Ghats in Tirunelveli District. The numerous waterfalls and cascades along with the ubiquitous health resorts in the area have earned it the title the Spa of South India.

Kodaikanal is a hill town in the southern Indian state of Tamil Nadu. It's set in an area of granite cliffs, forested valleys, lakes, waterfalls and grassy hills. The town centers around man-made, star-shaped Kodaikanal Lake, bordered by evergreen forest.
