| | |
|---|-----------------|
| Average Annual Compensation (Top 10 Percentile) | Rs. 16.00 Lakhs |
| Average Annual Compensation (Top 20 Percentile) | Rs. 14.93 Lakhs |
| Average Annual Compensation (Top 50 Percentile) | Rs. 13.24 Lakhs |
| Average Annual Compensation (Top 75 Percentile) | Rs. 12.17 Lakhs |
| Average of all offers | Rs. 11.32 Lakhs |

For the first time, we have seen instances of multiple offers per student. Three students have obtained multiple offers

Of the three students who opted out of the campus placement process, one was on a sabbatical and has returned to the previous employer, one joined family business, and the third decided to seek opportunities through personal network.

The successful final placement of our students is testimonial to the perseverance and determination of our faculty and students. IIMT has always been committed to excellence, be it faculty, programme or student. It is this focus on quality and rigor that has groomed our students to secure the confidence of recruiters. We are grateful to our recruiters for their enthusiastic support and belief. Providing higher standards of quality to the industry shall always be the road ahead for us.
